Free Advancement Tips, Advice Available Online

Active-duty and Reserve Sailors can obtain answers to advancement questions by going online to www.advancement.cnet.navy.mil, the Advancement Exam Strategy Guide.

Professional military knowledge and rating-specific references and bibliographies for advancement (bibs), along with other information to help Sailors climb the ladder to success are just a simple click away.

The Navy-sponsored Web site has a specific "how to take an advancement test" section, as well as information on exam strategies and examination development. To help Sailors understand what skills and knowledge exam developers are assessing, specific rating information is broken down by rank into topic and subject areas.

Sailors can also use the site to access profile sheets, exam statistics by rating, non-resident training courses, final multiple computations charts, and many other helpful tools to better prepare for upcoming exams,

Sailors without access to a computer may see their Education Services Officer or Command Career Counselor for ordering instructions or information they will need for their next advancement exam.
